Things are going great considering all that has happened in the last 2 weeks. At that point in the year where a child walked in and she knew who they were, so she's getting there. Please share what's going well and things that need to change. Climate survey went out.

Membership expressed deep felt thanks for how the district handled the loss of Mrs. Schwoyer.

### **Memorial for Mrs. Schwoyer**

Memorial for Mrs. Schwoyer: district policy may prevent certain things but working around it. Maybe a memorial scholarship. Possibly sell t-shirts and that money would go to the fund.

Anderw Maier has a scholarship fund for Nicholas as well.

We want to do a yearly donation and then t-shirt sales go towards fund for Nicholas until he graduates.
